The ISU Council has approved an opportunity to collaborate with the Japan Skating Federation to introduce a team competition to the ISU calendar of figure skating events:

The ISU World Team Trophy in Figure Skating

The **ISU World Team Trophy** is a competition between six (6) national figure skating teams from ISU Members with a special exception for the host ISU Member to be included as one of the six participating teams. The other Member teams will be qualified according to criteria established by the ISU. Each team will be composed of 2 Men Single Skaters, 2 Lady Single Skaters, 1 Pair Skating Couple and 1 Ice Dancing Couple, i.e. a total of 8 Skaters per team.

The first edition of the **ISU World Team Trophy** has been allotted to the Japan Skating Federation to **be held in Tokyo, Japan on April 16-19, 2009** (venue to be confirmed). Attached please find the Preliminary Announcement for this 2009 competition containing important details for guidance.

In particular, we ask ISU Members to carefully study Paragraph 2 "the Basic Event Format and Qualifying System" as well as Paragraph 3 "the Confirmation of participation and entries of Skaters/Couples" since this could have an impact on the planning of the calendar of Skaters/Couples.

In addition, in case of non-participation and/or withdrawal of certain Skaters/Couples, Members should be aware of the possible consequences (Paragraphs 3.b) & 3.d).

INTERNATIONAL SKATING UNION

1. General

The ISU World Team Trophy (in Figure Skating) is an ISU Event announced in respect of the current ISU Constitution and Regulations. As per ISU Regulations, Rule no 100, paragraphs 3. a) & b) and consequently the ISU owns all rights to the ISU World Team Trophy. The ISU World Team Trophy will be held with the approval and the assistance of the International Skating Union, under the responsibility of the organizing ISU Members concerned (in this case the Japan Skating Federation – JSF) and in accordance with the current ISU Constitution and General Regulations, the ISU Special Regulations Single & Pair Skating/ Ice Dancing, the Technical Rules Single & Pair Skating and the Technical Rules Ice Dancing, and all relevant ISU Communications.

The first edition of the ISU World Team Trophy has been allotted by the ISU Council to the Japan Skating Federation to be held in Japan on April 16-19, 2009 in Tokyo (venue to be confirmed).

2. Basic Event Format and Qualifying System

a) The ISU World Team Trophy format is based on a competition consisting of the six (6) best national teams from ISU Member Federations (ISU Members) with a special provision for the host ISU Member to be included as Qualified Member. Each team will be composed of 2 Men Single Skaters, 2 Lady Single Skaters, 1 Pair Skating couple and 1 Ice Dancing couple, i.e. a total of 8 Skaters per team.

b) Six (6) ISU Members will qualify based on points scored by its best 2 Lady Single Skaters, best 2 Men Single Skaters, best Pair Skating couple and best Ice Dancing couple, calculated in accordance to the scale of the ISU World Standing points in sub-paragraph e) below, primarily at ISU Grand Prix of Figure Skating events and Final season 2008/09 as well as the ISU World Figure Skating Championships 2009 (to be held on March 23-29, 2009 in Los Angeles/USA), plus possibly the ISU European Figure Skating Championships/ISU Four Continents Figure Skating Championships 2009, the ISU World Junior Figure Skating Championships 2009 and ISU Junior Grand Prix of Figure Skating season 2008/09.

c) The 6 teams having accumulated the highest number of points by the above-mentioned number and category of Skaters/Couples in the above mentioned ISU Events (sub-paragraph b) above) and the criteria outlined below (sub-paragraph d) below) will qualify. If there is a tie among teams subject to qualify, the team having earned the higher number of points at the ISU World Figure Skating Championships 2009 will be qualified. If a tie persists, the qualifying ISU Member will be decided by draw. The team of the host ISU Member, if not qualified under the applicable Qualifying System, will receive a wild card entry as team no 6 replacing the team finishing in that place in the standings.

d) For the purpose of the ISU World Team Trophy Qualifying System, the basis is to attribute to each ISU Member points according to the scale below (sub-paragraph e) on the basis of **the two best results** (the highest number of points earned) of **two different** Single Skaters **Men**, of **two different** Single Skaters **Ladies**, of **one Pair Skating couple** and of **one Ice Dancing couple** at each of the two (2) groups of ISU Events listed below (the applicable Events):

- i) in one of the ISU Grand Prix of Figure Skating individual events or Final (senior) season 2008/09.

If Skaters/Couples of a Member have not obtained points in the above-mentioned ISU Grand Prix of Figure Skating and Final (senior) season 2008/09, then the best result in

- one event of the ISU Junior Grand Prix of Figure Skating individual events (only in individual events but not the Final) season 2008/09 can be considered;
- ii) in the ISU World Figure Skating Championships 2009;
If Skaters/Couples of a Member have not obtained World Standing points in the ISU World Figure Skating Championships 2009, then it is possible to use the ISU European Figure Skating Championships 2009 respectively the ISU Four Continents Figure Skating Championships 2009 and if needed the ISU World Junior Figure Skating Championships 2009.

It must be understood that in spite of the fact that the Qualified ISU Members for the ISU World Team Trophy can only participate with two Single Skaters each Ladies and Men, one Pair Skating couple and one Ice Dancing couple, for the purpose of the ISU World Team Trophy Qualifying System the highest number of points per discipline (Ladies, Men, Pair Skating/Ice Dancing) earned **at each of the two above-mentioned applicable Events** will be used when cumulating the points earned per Member. This means that more and different Skaters/Couples per Member may contribute to the cumulative number of World Standing points per Member. Practically, two to four different Single Skaters Ladies and two to four different Single Skaters Men (the maximum four different Skaters would be two different Skaters each at two Events) could contribute to the cumulative number of points per Member. For Pair Skating and Ice Dancing couples it could be one to two Pair Skating couples respectively one to two Ice Dancing couples per Member that could contribute to the cumulative number of points per Member (the maximum two different couples would be one couple each at the two applicable Events). Please refer to the example in sub-paragraph f) below.

The corresponding ranking and ISU World Team Trophy qualification list indicating the respective qualified ISU Members for the 2009 ISU World Team Trophy (hereafter called the “Qualified ISU Members”) will be issued in a dedicated ISU Communication immediately after the ISU World Figure Skating Championships 2009 which will be held at the end of March 2009.

3. Confirmation of participation and entries of Skaters/Couples

a) Skaters/Couples participation/eligibility requirements:

The ISU World Team Trophy is only open to Skaters/Couples/individuals who belong to ISU Members that have qualified for participation in the ISU World Team Trophy according to the Qualifying System outlined above. The Skaters/Couples entered by the respective Qualified ISU Members must satisfy the ISU eligibility requirement in accordance to the then current ISU Constitution and General Regulations, Rule 102, their age must be within the limits specified in ISU Rule 108, paragraph 2.b) and they must meet the citizenship, residency and participation requirement stated in ISU Rule 109 as well as ISU Communication No. 1420 or any update of this Communication. Entries can only be made through the Qualified ISU Members.

Members whose teams qualified for the ISU World Team Trophy have the obligation to give priority to ISU Events under Rule 136, paragraph 6 and therefore are committed to send their teams to the competition.

In case that any Qualified Member cannot send its team to the competition for whatever reason, the ISU may invite the Member whose team is ranked next in the ISU World Team Trophy qualification list.

Furthermore, in case that one or more of the best ranked Skaters/Couples in the current World Standings at time of the ISU World Team Trophy of a Qualified ISU Member elects not to participate, the ISU reserves the right to exclude such team from the competition and to invite instead Member/s whose team is ranked next in the ISU World Team Trophy qualification list.

The ISU in consultation with JSF may authorize to invite to take part in the Exhibition one Lady Single Skater, one Man Single Skater, one Pair Skating couple and one Ice Dancing couple who achieved the best results in the applicable Grand Prix of Figure Skating and World Championships among Skaters/Couples of the respective discipline but who belong to a Member or Members whose team(s) did not qualify for the ISU World Team Trophy competition. The relevant expenses will be at the charge of the organizing ISU Member (JSF).

b) Consequences of non-participation:

It is of the highest importance that Rule 136 paragraph 6 of the ISU General Regulations be respected and implemented by all ISU Members and Skaters.

To be in compliance with Rule 136, paragraph 6, the following directive is issued by the ISU Council. Any Skater/Couple from a Qualified ISU Member, who placed within the first ten (10) places at the ISU World Figure Skating Championships 2009 (to be held on March 23-29, 2009 in Los Angeles/USA) and is ranked in the ISU World Standings among the best 2 Lady Single Skaters, best 2 Men Single Skaters, the best Pair Skating couple and the best Ice Dancing couple of his/her/their respective Qualified ISU Member, if this Skater/Couple elects in advance of the ISU World Team Trophy not to participate in the ISU World Team Trophy (for whatever reason), he/she/they will not be permitted to participate in any other competitions, shows, and exhibitions from Monday noon after the ISU World Figure Skating Championships 2009, during the ISU World Team Trophy, and until April 26, 2009. In addition, depending on the circumstances, the concerned Skater/Couple and Members may be subject to sanctions in accordance with Rule 136, paragraph 6 of the General Regulations.

c) Confirmation and entry procedure:

The Qualified ISU Members will be officially informed by the ISU Secretariat shortly after the ISU World Figure Skating Championships 2009 and must enter their Skaters/Couples by April 3, 2009. The official entry forms indicating the participating Skaters/Couples plus one substitute for each discipline (Ladies, Men, Pair Skating, Ice Dancing) must reach the Organizing Committee of the ISU World Team Trophy and the ISU Secretariat on or before April 3, 2009.

d) Withdrawals & substitute Skaters/Couples attendance:

If an entered Skater or Couple cannot participate due to injury or illness, he/she/they must immediately inform the Organizing Committee and the ISU Secretariat in writing through the respective ISU Member. The concerned Qualified ISU Member must ensure that the substitute Skater/Couple nominated shall attend.

The substitute Skaters/Couples must remain on stand-by as possible alternates until three days before the Opening of the ISU World Team Trophy, i.e. until Monday, April 13, 2009 – noon local time .../Japan. These substitute Skaters/Couples are responsible to keep readily available their own necessary visa and possibly the travel documents.

Withdrawals are permitted only for illness or injury duly confirmed by a timely Medical Certificate as outlined below and subject to review by an ISU appointed Medical Doctor and/or for other justified serious reasons, such as e.g. bereavement in the close family.

In the case an entered Skater/Couple is withdrawn for injury or illness a Medical Certificate is required to be submitted to the ISU as per Rule 140, paragraph 5. The Certificate must be issued on the stationary of a Medical Doctor or on an ISU withdrawal form in case of in-competition withdrawal and duly signed by the Medical Doctor. If the certificate is not in English a translation signed by the President or General Secretary of the Member of respective Skater must be attached.

In addition, upon request of the ISU the Certificate must be received by the ISU within 72 hours after the notice of withdrawal and the following information must be included or attached:

- i) the history which clearly indicates the date of injury or date of onset of illness, the type of injury or illness and severity of injury or illness as well as the physical findings on examination;
- ii) copies of laboratory or radiological reports that were conducted in the investigation of the injury/illness;
- iii) the recommended treatment by the physician including medications, therapy, advice on training frequency and intensity, date for follow-up examination (a copy of this assessment should then be forwarded to the ISU), expected date of return to full activity, planned further investigations and/or criteria for return to full activity.

The Skater/Couple withdrawn for any reason, including injury or illness, cannot take part in any skating event until the date decided and published by the ISU.

Replacements do not influence the invitation of Judges or the composition of the panel of Judges.

e) Travel Documents and Permits:

Due to the limited time between the ISU World Figure Skating Championships 2009 and the ISU World Team Trophy, all qualified Team Members are requested to take care of their individual travel documents and permits (visa, etc.) on a timely basis. ISU Members who based on the results of the ISU Grand Prix of Figure Skating season 2008/09 are likely to qualify for the ISU World Team Trophy (pending the results of the ISU World Figure Skating Championships 2009) are strongly recommended to make the necessary visa arrangements (if necessary for travel to Japan) in due time, i.e. before the ISU World Figure Skating Championships 2009.

f) Insurance/Liability:

In accordance with Rule 119, it is the sole responsibility of each ISU Member participating in ISU Events, to provide medical and accident insurance for their athletes, officials and all other members of the Member's team. Such insurance must assure full medical attendance and also the return to the home country by air transport or by other expeditious means of the ill or injured person.

The ISU assumes no responsibility for or liability with respect to bodily or personal injury or property damage incurred by Competitors and Officials.

g) Expenses

The organizing ISU Member (JSF) will pay travel expenses based on lowest possible economy airfare rates for all participating Competitors to the ISU World Team Trophy, for all Judges invited, for all appointed Referees, Technical Controllers, Technical Specialists, Data and Replay Operators plus 2 persons per team as support personnel (which may be coaches, team leaders, choreographers etc.) from their domicile to the event and return.

The organizing ISU Member (JSF) will pay accommodation and meal expenses for the above-mentioned persons from dinner on April 15, 2009 through breakfast on April 20, 2009. This period may be extended in case of reasonable individual flight arrangement necessities.

Traveling substitute Skaters/Couples will not be at the charge of the organizing ISU Member (JSF). The respective Member is responsible for their expenses.

4. Anti-Doping Tests

The Anti-Doping tests will be conducted in accordance with the current ISU Anti-Doping Rules & Procedures (ISU Communications No. 1447 and 1448 or any further update of these Communications).
